

# **RESORT CENTRAL AQUA PARKS**

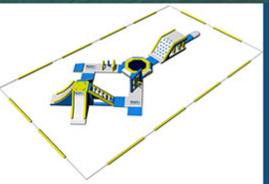

Resort Central Aqua Parks is the best in the Philippines in offering potential resorts or entrepreneurs customized manufacturing and installation of complete inflatable aqua parks suitable for both adults and children. We can manufacture parks that are capable of offering a water park combination for up to 300 paying guests at any given moment, consisting of all different elements.

This variety of elements in a aqua park combination attracts more people, this means, you as an entrepreneur are able to achieve a higher turnover at constant operational costs.

#### PERFECT FOR THE FOLLOWING APPLICATIONS:

- Resorts with high population in surrounding area wanting to offer alternative activities to locals
- Parks wanting to attract team building groups
- Parks wanting to target special events, school and company outings
- High tourist destinations- park is sure to attract traffic
